

The Stewardship Self-Assessment

A simple reflection tool to help you see where to begin

"Moreover it is required in stewards that one be found faithful." — 1 Corinthians 4:2

Biblical stewardship reaches far beyond finances. God has entrusted each of us with a body to care for, a family to love, resources to manage wisely, and a legacy to leave behind. Take a few quiet minutes with this assessment. There are no wrong answers, just an honest look at where you are right now, and gentle next steps for wherever you'd like to begin.
